Rule Changes for Machine Play

- 1) Due to the number of members turning in winning tickets from playing the electronic pull tabs machines, the board of officers have implemented a new rule that if your winning ticket is over \$5,000.00 you will need to put your name on the ticket and leave it with the bartender to be paid the next day.
- 2) Another rule change is the machines will operate from noon to midnight on Friday and Saturdays. Sunday to Thursday operating hours will remain 11am to 11pm.

The Passing of Issue 2

While the Newark Moose Lodge supports every American's rights and freedoms, keep in mind there are rules and General Laws Moose members must follow to retain their

membership in our Fraternity.

One of these General laws is Section 48.2, which states: **“the use of all cannabis products is absolutely prohibited at any time in the social quarters, lodge home, or on lodge property.”** This includes the Tiki Bar, Parking Lot, Shelterhouse Area, Ballfield, and any other area owned by the Newark Moose Lodge.

So even though recreational use of cannabis will soon be legal in Ohio, it will not be legal on Moose Property.

Friday & Saturday \$2.00 Drawing

As everyone knows, sometimes our computers do not work. If there is an unexplained malfunction of the drawing manager during the Friday and or Saturday \$2.00 drawing, the drawing will be held as soon as the drawing manager computer is back in operation. After the malfunction is corrected, any member that is drawn out and is signed up for the postponed drawing will be considered to be present and will win the predetermined amount for being present.

Jacks & Jokers Drawing

The Jackpot for Saturday night's Jacks & Jokers Drawing on April 27, 2024, was \$175,450.00. Jim Workman had his name drawn out. Jim had number 50 on his ticket.

Envelope number 50 contained the Queen of Clubs.

Jim was not here so the carryover to next weeks drawing is \$175,450.00.

Tickets can be bought for \$1.00 until 8:30pm

The lodge does not keep any money from this game. Good Luck.

We will have the 12 Bonus Drawings only if the Jackpot is over \$180,000.00 after the first ticket gets pulled out and any payouts are made according to what card is in the envelope. Example, Jackpot is \$185,000.00 and Joe Brown has his name pulled out. Joe has #16 on his ticket. Envelope #16 has the Jack of Clubs inside it. Joe is not here so he wins 15% of the jackpot, \$27,750.00. The Jackpot started at \$185,000.00 minus the \$27,750.00 payout so now the jackpot is \$157,250.00. There would not be any bonus drawings due to the jackpot being below \$180,000.00 after the first ticket was drawn and monies paid out according to what card was in the envelope.
