Convention Delegates Pass General Laws Amendments

Delegates to the 137th Meeting of The Moose in Milwaukee, Wisconsin passed all four voting categories of amendments to The Moose General Laws in a convincing fashion this past weekend. Changes included: a new stipulation that **all qualified family members, including a spouse, over the age of 21, shall be considered a prospective member and limited to two visits before making application for membership**; a nominee for Administrator must be an active member of the Lodge for at least six (6) months immediately preceding the date of appointment/election; electronic social media is

added to prohibited campaigning tactics; a Special Meeting cannot be incorporated into a Lodge General Membership meeting and must be held as a separate meeting; and an approved dispensation is required for all lodge community service and charitable fundraising events. There are other amendments not listed above, but can be viewed by clicking on the button below.

All changes will go into effect on August 1, 2025.

The Passing of Issue 2

While the Newark Moose Lodge supports every American's rights and freedoms, keep in mind there are rules and General Laws Moose members must follow to retain their membership in our Fraternity.

One of these General laws is Section 48.2, which states: **“the use of all cannabis products is absolutely prohibited at any time in the social quarters, lodge home, or on lodge property.”** This includes the Tiki Bar, Parking Lot, Shelterhouse Area, Ballfield, and any other area owned by the Newark Moose Lodge.

So even though recreational use of cannabis is legal in Ohio, it will not be legal on Moose Property.
